Group programs are one of the best workers compensation programs available for small-to-mid-sized businesses.

The program offers:

- 5% up-front credit
- Opportunity for dividends if the group performs well
- Over \$200,000 has been returned to local members in recent years
- No minimum premium to qualify

For more information about the Accident Fund program for Jackson County Chamber of Commerce members, use the fax back form below or contact one of these preferred member independent insurance agencies:
